To the Stonecrest Congregation,

I am writing at the request of some of the congregation who have expressed an interest in going on a Study Tour of the Holy Land. This would involve a 7-10 day commitment in January of 2011. The cost of the trip would be approximately \$3000.00. There are a couple of possibilities of types of tours and the content of study which would need to be determined as plans are formed. We can discuss this as a group later as part of the process of finalizing the "if" and "when" and "where" of such of a trip.

My purpose in writing to you now, is to simply determine the interest level of the congregation. This will determine the size of group and the accommodations we would need to pursue. Based on response I will attempt to gather us all together in one room for a meeting of the minds to determine how we can attempt to meet the needs and fulfill the desires of the largest number of people.

Please express your interest by responding to [jeff@stonecrestchurch.com](mailto:jeff@stonecrestchurch.com). We will follow up with you from there.

Thank you. May God richly bless you!

In Christ's love,

Brent
